Voters okay new fire station

Construction is scheduled to start next spring on Antioch's new safety building.

Voters in the village and township (the First Fire Protection District) approved the \$1.2 million building in last Saturday's referendum.

The structure at Orchard St. and Turner Drive will be

the headquarters for Antioch's fire department and rescue squad.

The turnout at the voting places was very light. In the village 430 persons voted yes and 159 said no. In the township, the vote was 329 to 151 in favor of the bond issue.

In each case they voted on the question of issuing \$650,000 in fire-safety building bonds.

THE BOND ISSUE will mean a tax increase of 10 cents per \$100 of assessed valuation for residents of the village. For a home assessed at \$10,000, the tax increase would be \$10 per year.

For a resident of the fire protection district, the tax increase would be 13 cents per \$100 of assessed valuation.

A taxpayer assessed at \$10,000 in the fire district would pay \$13.30 a year.

THE NEW BUILDING will contain 24,200 square feet to be utilized by the fire department and approximately 4,050 square feet for the rescue squad.

Apparatus bays, offices, fire prevention department, dispatch center, hose drying and training tower, equipment and storage rooms as well as living quarters will be provided.

Although only preliminary plans are available, final details of the building will be developed jointly by the village and the fire protection district.

There will be no tax cost to anyone for the new building until 1979. There has been no bond issue tax cost in the past in the fire protection district and the village of Antioch has only one final payment to be made on bonds in 1978. Both municipalities are now free of tax indebtedness.

Patterson to head local businessmen

Bill Patterson, owner of BJ's Fashions for Men, will be the 1978 president of the Antioch Chamber of Commerce and Industry.

The installation dinner-dance will be held Saturday, Jan. 14, at The Country House.

Mr. Patterson will replace Dick Kirkpatrick as president. Mr. Kirkpatrick will join the board of directors,

which includes Glenn Henderickson, Brad Ipsen and three recently elected members, Sandi Stewart, Mark McKinney and Dan Dugenske.

Other 1978 officers to be installed are Bill Bishoff, first vice president; Mr. Dugenske, second vice president, and Miss Stewart, secretary-treasurer.

Decide Thursday on football coach

The name of Antioch High School's new varsity football coach is expected to be announced at Thursday night's school board meeting.

Athletic Director Ward Lear said a recommendation will be made to the board members.

The new coach will replace Roy Nelson, who resigned after 16 seasons at the helm of the Sequoit varsity. Mr. Nelson will remain in the school's physical education department.

The new coach will probably be one of the men now in the Antioch High School system, Mr. Lear said. There reportedly have been at least three applicants.

Ted DeRousse, one of Mr. Nelson's top assistants,

probably isn't eligible because of a school district rule which limits a person to the head coaching job in only one major sport.

DeRousse is the wrestling coach and has indicated he would like the head football job but doesn't want to give up his wrestling team.

2 promotions at First Bank

Two promotions have been announced at the First Bank of Antioch.

Louis Korom III was promoted to assistant vice president, president LaVerne M. Woods said. Also, Pam Rausch was appointed acting auditor.

Mr. Korom has served the bank for two and a half years, most recently as operations officer.

He received his B.S. degree in finance from the University of Akron in June of 1975. He also holds the American Institute of Banking's basic and standard certificates and has attended the Illinois Bankers Association junior officer's school at the University of Arkansas.

HE IS A MEMBER of the Antioch Rotary Club, the Antioch Moose Club, serves on the membership committee of the Chamber of Commerce, and is on the board of directors of the Antioch Jaycees. Lou is a native of Canal Fulton, Ohio, and now resides in Antioch.

Miss Rausch has served the bank since May of 1975 on a part-time basis. During that time she worked in all areas of the the bank. In December of 1976 she began full-time employment in the auditing department.

Tax bills arrive, deadlines near

The State Bank of Antioch reminded taxpayers Tuesday that the final installment on 1976 real estate taxes is due Jan. 13.

Lake County's 190,000 property tax bills began arriving in the mail this week.

The county collector's office said the penalty date, as shown on the face of the bill, is Jan. 13, "but if you wish to claim this payment as a deduction on your 1977 income tax return your payment must be made or postmarked no later than Dec. 31."

William E. Brook, president of the State Bank, said the first installment for 1977 tax bills will be mailed out at the end of January.

THOMAS KELLY, PRESIDENT of the Antioch Savings & Loan Association, said mortgage holders at his financial institution must pay their Lake County tax bills by 12 noon on Dec. 24 to assure payment by Dec. 31.

Auxiliary remembers veterans

Despite stormy weather, 50 American Legion Auxiliary members and their families attended last week's Christmas party at the Legion Hall.

A display of craft articles and jewelry made by veterans in various hospitals was offered for sale. The veterans are paid small amounts for making the items.

"The Gifts to Yanks Who Gave" program will again be the recipient of efforts of American Legion posts and auxiliary units throughout the state during the holiday season.

Mrs. Jack Effinger, veteran affairs chairman of Antioch's unit, has announced local participation in the program.

Eddie Cantor originated the program in 1944 and the Illinois American Legion has continued its sponsorship for 33 years.

More than 23,000 holiday gifts were given to men and women veterans in 1976 in 32 veterans administration and other hospitals and 60 convalescent homes.

The raptures of wrapping!

One of the best parts of the Christmas gift is the pretty packaging that it comes in.

Decorative papers and ornate ribbons and bows all make the Christmas tradition of gift-giving that much more exciting.

This year, why not take a little extra time to make your Christmas presents really special, from the wrapping on down!

You can make your gift wrappings a treat to the taste buds as well as the eyes! Tie candy canes into the ribbons, or make little packages of candies and cookies with cellophane and tie them to the gifts for an extra delight!

Letter

Dear Sir:

The resignation of Mr. Roy Nelson as football coach is a strong indictment of today's parents.

I indict the working mindless "mother" who is pursuing her "career," or is too busy with her clubs instead of supervising her children as a good parent should.

I also indict the spineless "father" who can not withstand the pressure from a sixteen year old to drive his own car. These fathers practice permissiveness to its utmost and have no conception of curfew or discipline.

Mr. Nelson is to be congratulated in that he will not tolerate the results of parental stupidity. These parents deserve the monsters they have spawned.

Very truly yours,
Roy F. Teborek, M.D.

Praises village for snow removal

In making my early morning rounds, how gratifying it is to witness the mechanism of this town. First, the snow plows have been busy during the night, and I walk down clean roads.

This a.m., with the able and courteous cooperation of our police force, under Chief Wells, traffic was directed away from curbs to allow snow removal crews to clear both streets and walks.

A big job, but efficiently supervised by foreman Scotty Lowe.

Please be aware that there are towns not so fortunate where residents, heart patients especially, have had to hire private enterprise for this same service.

Upon the heels of our tax bills, at least, you're seeing how your tax money is at work for your convenience and safety.

So, is it asking too much in this holiday spirit, to pause momentarily, and compliment our village forces for their splendid execution of civic duties?

After all, they work for you.

Antioch is a fine place to live, and the village fathers intend to keep it that way.

Russ Fairchild

(Editor's note: We also have received praise from township residents for the excellent snow removal job done by Blaine Ring's crew.)

To the Editor:

The interests of the people of Lake County have been well represented on the Lake County Regional Planning Commission by the negative vote of Homer LaPlant of Antioch on the draft Lake County Housing Plan and for his vote to reconsider the commission's ill-considered action in approving it.

The plan would have brought disaster to Lake County. The people in his community as well as those of us outside of it have good reason to be appreciative of his action.

Meeting

THE REGULAR monthly meeting of the board of education of Antioch High School, District 117, will be held Thursday at 7:30 p.m. in the board room.

The meeting was changed from the fourth Thursday of the month due to the conflict with the Christmas holiday.

83 and 173 evokes a touch of sadness.

The stately evergreens that once bordered the southeast corner are no more. On Sunday morning, Dec. 4, a bulldozer demolished them one by one leaving a pile of trunks and branches with a lone evergreen standing sentry.

Perhaps a little foresight and planning could have saved these trees. I guess this is the price we must pay for progress!

Gail Dubek

To the Editor:

Pity the poor (?) landlords! Their taxes are raised \$100 a year.

If they have an apartment building of 12, they raise their tenants' rent as much as \$25 a month. Twenty-five times 12 is \$300 a year. Three hundred times 12 is \$3,600 a year.

Pretty good profit, I'd say.

Village parks are not for snowmobiles

Snowmobile enthusiasts are being reminded by village officials that they are not allowed on park property, especially Osmond Park.

The janitor reported ten minutes late for work, and the boss asked, "What did they do in the Army when you were ten minutes late in the morning?"

Highest gas taxes in nation

Average gasoline prices in the area have jumped three cents a gallon since imposition of the five percent Regional Transportation Authority gasoline tax on Dec. 1.

The Chicago Motor Club said the six-county RTA area now has the highest gasoline taxes in the nation, ranging from about 17.5 to 19.5 cents a gallon.

For the first time, prices of premium and unleaded gasoline soared above the 80-cent mark with a number of stations reporting 80.9 cent prices in the Chicago metropolitan area.

Average prices this week in the Chicago metro area were regular 69.3 cents (up 3.1 cents); premium 75.3 cents (up 3 cents); unleaded 72.7 cents (up 3 cents).

Widespread price variances also continued. Regular was ranging from 59.9

cents to 75.9 cents a gallon at stations checked, premium from 66.9 to 80.9 cents a gallon and unleaded from 65.9 to 80.9 cents a gallon.

Average prices a year ago were regular 63.2 cents, premium 68.6 cents, unleaded 66.1 cents.

Why Pay More Than Necessary When You Finance Your Next Car? It's too bad, but most people do.

The reason: banks, finance companies, and most other lenders typically calculate interest in advance when you sign up for the loan. So, you pay interest on the entire amount you finance, regardless of how quickly you pay it back.

But with our revolutionary new Simple Interest Loan, interest is calculated daily and only on your outstanding balance. This means you can save significantly if you pre-pay or pay off the loan early.

WHILE CHECKING ad copy at The Little Nut Hut & Sweet Shoppe, I found Ron Lech suffering from a cut he inflicted upon himself earlier that morning while shaving.

Ron had tried everything he could think of and it would not stop bleeding.

I sure hope it finally healed. If not, Ron, let us know. I'm sure Jerry Pfarr would be available to donate blood.

If at first you don't succeed — well, you have plenty of company.

'Operation Santa' held at nursing home

Sixty men and women attended a Christmas party Sunday at the Libertyville

Manor Nursing Home because, according to Angela Maras, "People did take

time out from their busy schedules to care about others.

Sunday afternoon, Santa and Mrs. Claus arrived with the St. Peter's Women's Club, Lake Region Homemakers and other citizens from Antioch with presents for all the residents of the nursing home.

After the gifts were presented, Ron Lech of the Little Nut Hut and Sweet Shoppe of Antioch provided entertainment with his accordion music and everyone joined in singing Christmas carols.

"It truly was a day to remember," said Mrs. Maras. "Participating in 'Operation Santa Claus' was the Ben Franklin store and many concerned citizens. Mr. and Mrs. Santa came through the courtesy of Hawthorn Center in Vernon Hills.

ANTIOCH'S "MYSTERY of the week" involves the alleged slaying of a tame turkey.

For some reason, members of Antioch's Rescue Squad were temporarily suspected. But, of course, everyone knows that the Rescue Squad helps people ... it doesn't hurt things.

THURSDAY IS THE 20th wedding anniversary of Charles (Tod) Mapletorpe and his wife Carol. Our fire chief and his bride were married Dec. 15, 1957. Wonderful folks, those Mapletorpes.

HOW DELIGHTED WE WERE to receive a Christmas card from Elmer and Gert Zimmerman, who are in California avoiding our Antioch weather.

"We look forward to receiving the Antioch News," they wrote. "When our paper comes to us, everything is halted. We sit down and read it from beginning to end." Elmer and Gert, thank you so much!

NORMAN AND PAT THIBEDEAU dropped us a line from Port Charlotte, Fla., and said:

"Enclosed is an envelope full of nice warm Florida sunshine. Understand your weather hasn't been the best."

Norman, Pat and their children moved to Florida four years ago. Norm is now a realtor there.

PATRICK J. MICHALAK, son of Mr. and Mrs. Jerome Michalak of Antioch, was married last month to Lori Lynn Helke of Deerfield.

Because the couple had their first date on the 20th of one month and the bride's birthday is the 20th of another month, they chose the 20th for their wedding date at Holy Cross Church in Deerfield.

Patrick's sister, Mary, and brother, Jerry, were in the wedding party.

The newlyweds are making their home in Wauconda. Both attended the College of Lake County.

THE VILLAGE PARKS and recreation office would like to know the whereabouts of the Santa that was stolen from the front of the Scout House. It's a shame that anyone would do such a thing before Christmas. The decoration was a donation to the village and has sentimental value.

Please return the Santa, whoever took it, so you can have a peaceful and honest Christmas.

'Cheese and sausage sale' a success

Antioch High School's Distributive Education club "cheese and sausage sale" was completed last week.

"The people of Antioch and the surrounding area were very supporting," club members said.

Besides enabling the club to earn approximately \$300 the sale provided the class with a learning experience and helped expose the Distributive Education club to the people of Antioch.

The leader in sales for the fund was Randy Leland, a senior and first year "D.E." student, who sold more than 50 units of cheese and sausage.

The cheese and sausage is to be delivered this week.

Best wishes for a wonderful Christmas.

THE TOWN CRIER

A flock of Antioch fans braved the 7-below weather Sunday to watch the Chicago Bears beat the Green Bay Packers in Soldier Field.

At least one of them, who formerly lived in Green Bay, was shocked at some of the Chicago fans.

"Up in Green Bay," he said, "the fans yell, 'Yoo Rah Rah!' but here, when a Packer has the ball they yell, 'Kill the bleeper!'"

The Packer quarterback was hurt in the first quarter and it was heartwarming, to say the least, to hear all those Chicago fans cheering.

IT'S TRUE THAT the Chicago team has 25 stars ... Walter Payton and a couple dozen Honey Bears.

When those lovely, wholesome young ladies performed near the Antioch cheering section, most of the binoculars suddenly left the game and focused on the Honey Bears' pom poms.

COLLEGE FOOTBALL'S outstanding player, running back Earl Campbell of Texas, flunked English but is going to get a degree in communications.

Oh well, I guess that's par for the course.

IN CASE YOU THOUGHT Santa Claus never takes his wife along on his holiday jaunts, you should have been at Four Squires clothing store last week. Mr. and Mrs. Claus spent the day with happy children on their laps. In this picture, from left to right, are Lynn Mack, Bobby Trusz Jr., Milton Mack and Becky Lasco. The many children visiting the store have been bringing cans of vegetables and soup for the handicapped children at Grove School. In return they received a puzzle from Santa and Four Squires.

Recreation programs planned after Jan. 1

"Winter-spring programs" of the Antioch parks and recreation department will be announced the first week in January.

News of all the programs will be distributed through area schools.

Sue Koppa, the village parks and recreation coordinator, said:

"Program offerings will include boys and girls' 4th to

6th grade basketball, men's recreation night, pre-school day camp, cross-country skiing, iceless hockey, and many more."

"Thanks to our community support our fall programs were very successful and well attended," she said.

High School choral concert is Thursday

Thursday is the date of the Antioch High School vocal department's annual Christmas Concert.

The program will be at 7:30 p.m. in the high school auditorium.

The choirs, under the direction of Ralph G. Brooke, have been working hard to bring a program of quality music for the Christmas season. There will be many of the traditional Christmas songs as well as some new and exciting songs of the holiday season, Mr. Brooke said.

The freshman girls chorus has chosen two songs by one of America's newest and most prolific composers of choral music, Natalie Sleeth, "Noel, Noel, a Boy is Born," and "Were you There on That Christmas Night?"

The All-School Chorus has chosen more traditional songs, "Do you Hear What I Hear," and "While By My Sheep."

The 80-voice A-Cappella Choir will present one of Mozart's more famous songs, "Gloria in Excelsis" and from Handel's Messiah, "And He Shall Purify."

As a part of the A-Cappella Choir a new group has been formed, the Chamber Choir, performing "Give Me Jesus," and "Glory to God in the Highest."

"We hope you will attend and share with us the joy of the season," Mr. Brooke said.

ARIES [March 21-April 19] - Put off day-dreaming, get actively involved in affairs that require keener, sharper senses. New educational pursuits are indicated; rearrange schedule if necessary to include new plans.

TAURUS [April 20-May 20] - Set your sites for improved financial security. Through joint associations you are in an excellent position to add to resources. Work in unison on partnership deals.

GEMINI [May 21-June 21] - Those close to you may resist your suggestions, if so get rid of pending obligations to others and work toward goals independently. Legal matters should be settled promptly.

CANCER [June 22-July 21] - You get extra assistance from fellow employers so there's ample time to maintain a busier schedule. Activities have a more festive air now; a good week to make new social contacts.

LEO [July 22-August 21] - You're more apt to speculate now; try to apply good business know-how to affairs. Good planetary aspects favor strengthening ties with young people, romantic ventures.

VIRGO [August 22-September 22] - Domestic affairs require special attention now; smooth over differences with family members, settle quarrels. Look into real estate opportunities but don't act in haste.

LIBRA [September 23-October 22] - Your creative ideas gain praise and approval from others. Make good use of talents by taking care of pending detail work. Contact those you are fond of.

SCORPIO [October 23-November 21] - An extravagant urge can have adverse effects on your well organized budget so shop conservatively. Don't neglect career plans which need attention now, aim for building a more secure future.

SAGITTARIUS [November 22-December 21] - Keeping to a set routine may be next to impossible as increased vitality gains you new interests. Try to avoid acting too impulsively.

CAPRICORN [December 21-January 20] - A interruption to plans can cause friction; allow for temporary changes and setbacks, make a new course of action.

AQUARIUS [January 21-February 19] - You tend to be attracted to those who share your unconventional views. A stepped-up social week enables you to meet new acquaintances, make contacts with old friends, too.

PISCES [February 20-March 20] - Leadership abilities reach a record high; don't turn down a chance to show others what your qualifications are.

LETTER

(214 Hickory Lane, Antioch. Carter. Dec. 11).

To the Office Cat

Dear Baxter:

How did you find your good home? I'm lost -- and unless my owner answers today's ad in this paper, the people who took me in say they're going to place me for adoption -- their boarding house is full. They love me (I'm very lovable) -- they even call me "Dear One," and they wish they could keep me. They even like my voice!

MY NEW FRIENDS SAY they'll go 50-50 with a

qualified owner on the vet fee for a physical check-up and neutering.

Yes, Baxter, I have found out the hard way that that's the only answer for the residential male cat. We're just plain unpopular except in farm country. And when I hear that millions of us cats are homeless, who am I to insist on fathering more?

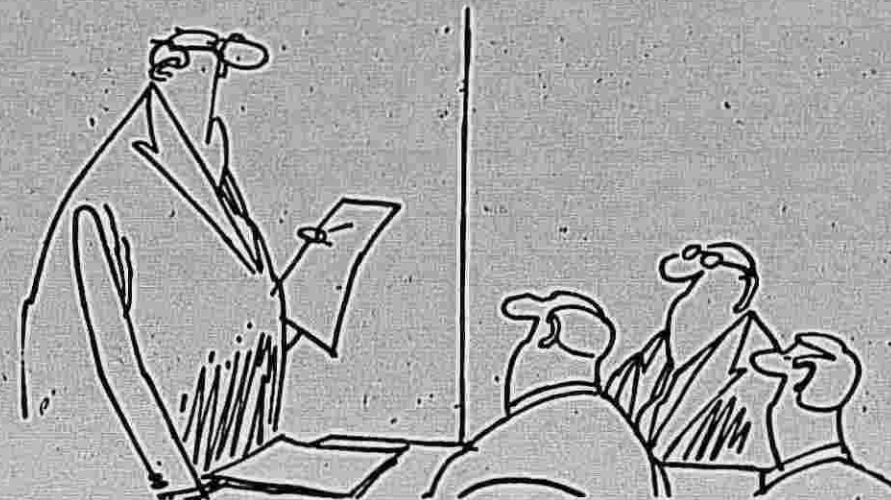

I'M NOT REALLY beautiful -- just a rather ordinary black and white young feline -- but I am, of course, charming.

I'm not demanding. To any owner who will just provide me with lots of affection, a cozy home and good food, I can promise the rewards of understanding companionship, unfailing affection, and be a living decorative accent to

any decor -- French provincial, Mediterranean, contemporary -- or any calico combination they choose.

I'D APPRECIATE any advice from an old pro like you, Baxter. Thanks for listening!

Your friend, "Dear One"

'Evensong' Sunday at St. Ignatius

Residents are being encouraged to join in a "festive celebration of the Advent season" at St. Ignatius Church, 983 Main St., Antioch, on Sunday at 6:30 p.m.

Guest organist and carillonneur James Frey of Evanston will fill the area with music from the bell tower of the church with the music of Wolfgang Mozart, followed by an organ prelude on the city's largest pipe organ.

St. Ignatius' festival procession with lessons and carols will follow. Adding a festive flair to many of the carols will be trumpeter Jonathan Adams.

Readings from scripture during the traditional English Evensong service will be presented by the pastor of the church, Rev. Theodore A. Bessette, plus members of the church and guest readers, including Michael J. Haley, mayor of Antioch.

A reception will follow the service. There is no charge for admission.

Things to remember

New Year's is the traditional day for resolutions, but Christmas should be the day for "remembers."

Remember—the good times you've had and be thankful for them.

Remember—your family loves you; return that love.

Remember—your pet depends on you for his food, his lodging, his health; give him a good life.

Remember—your friends; it is your responsibility to keep them as friends.

Remember—people in

hospitals need you more now; pay a brief visit with a cheery smile.

Remember—nursing home patients love to see a friendly face; drop in for a chat.

Remember—the people who are working on Christmas Day to make your life happier; a pleasant smile and a friendly voice will make them happy.

Remember—the true meaning of Christmas: Peace on Earth, Good Will toward Man.

Present ideas to prevent panic!

'Twas the night before Christmas, and panic had struck;

A gift was misplaced; we all ran amuck.

But is it really a panic situation when you discover you have forgotten to get a gift for someone or that a gift that was ordered has not arrived?

There are so many items around the house that can be used as "IOU" gifts with a

funny verse or cute card that explains the "real thing" is coming later. You might remind your recipient that there are 10 days of Christmas.

If a friend unexpectedly arrives with a gift for you, take a minute to wrap up a jar of preserves or a box of note paper for reciprocation.

When the "really big" gift is late arriving, the best thing

to do is cut out a picture of the product, mount it on a piece of colorful drawing paper or cardboard, put a card on top that says, "It's coming," wrap it beautifully and present it lovingly.

'Twas the night before New Year's, all was peaceful and light;

The gift had arrived, a glorious sight.

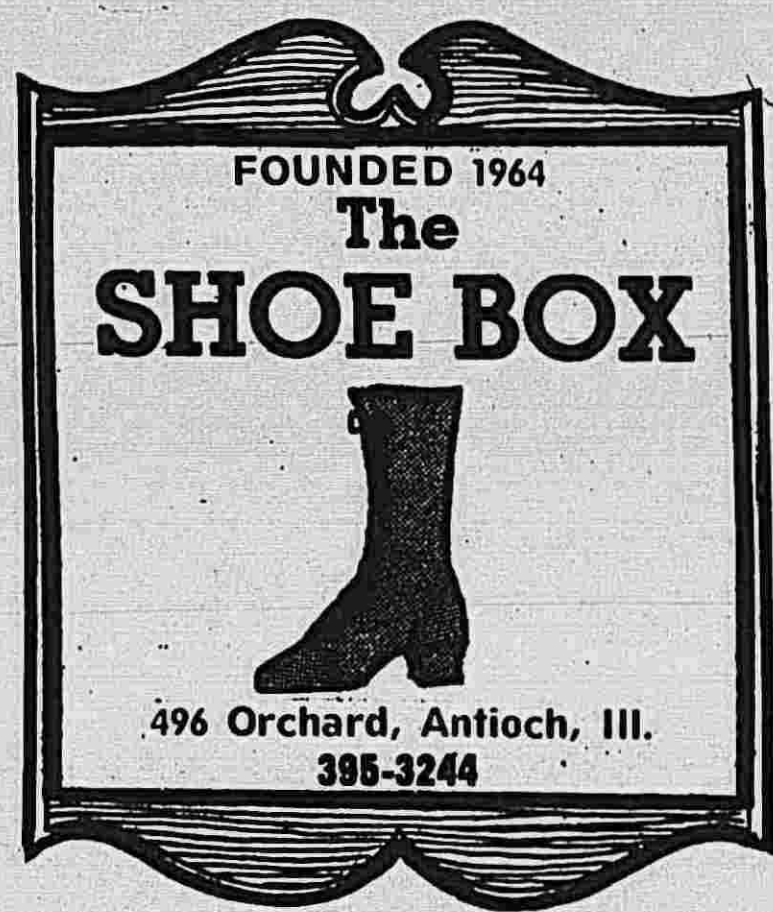

A housing development is where they cut all the trees and then name streets after them.

People who live beyond their means must eventually learn to act their wage.

"One oldster to another: 'I got so cold last night, I couldn't sleep. I just shivered.'"

"Did your teeth chatter?" Inquired his friend.

"I don't know. We don't sleep together."

Recipes for home bakers

QUEEN ANN HOLIDAY BRUNCH CAKE

- 4 to 4½ cups all-purpose flour
- 2 pkgs. Red Star Instant Blend Dry Yeast
- ¾ cup sugar
- 1 teaspoon salt
- ¼ teaspoon ginger
- 1 tablespoon grated orange peel
- ½ cup milk
- ½ cup water
- 1 cup butter or margarine
- 4 eggs
- 1 pkg. (3 oz.) cream cheese, softened
- ½ cup currants
- ½ cup chopped candied mixed fruit
- ¼ cup chopped candied cherries
- ½ cup flaked coconut
- ½ cup sliced almonds
- Oven 375°
- 10-inch Bundt pan

In large mixer bowl, combine 1½ cups flour, yeast, sugar, salt, ginger and grated orange peel; mix well. In saucepan, heat milk, water and butter until warm (120°-130°; butter does not need to melt). Add to flour mixture. Add eggs and cream cheese. Blend at low speed until moistened; beat 3 minutes at medium speed. Add fruit and coconut. By hand, gradually stir in enough remaining flour to make a stiff batter.

Arrange almond slices on bottom of well-greased and floured 10-inch (12 cup) Bundt pan. Spoon batter into pan. Cover; let rise in warm place until light and doubled, about 2 hours. Bake at 375° for 35 to 40 minutes (30 to 35 minutes for colored fluted Bundt pan), until golden brown. Place on wire rack and allow to cool for 15 minutes before turning out of pan. Drizzle cooled cake with glaze.

ORANGE GLAZE:

Combine 1 cup sifted powdered sugar, 5 to 6 teaspoons orange juice, 1 teaspoon grated orange peel and ¼ teaspoon vanilla; blend until smooth.

Deliciously different and a perfect topping for holiday desserts and other foods is "Vintage Fruit Sauce."

developed by Red Star from a secret recipe.

Make it ahead and keep it on the shelf to spoon over angel food or pound cake, crepes, ice cream, ham slices, squash or carrots or combine with rice stuffing for game or poultry:

VINTAGE FRUIT SAUCE

TO FERMENT FRUIT:

- ¾ cup drained canned peaches, cut in pieces
- ¾ cup drained pineapple tidbits
- 6 maraschino cherries, cut in half
- 1½ cups sugar
- 1 pkg. Red Star Instant Blend Dry Yeast

Combine ingredients and place in a glass jar with a loose cover—an apothecary jar is perfect. Stir several times the first day, then stir once a day. At the end of two weeks this starter has fermented enough to make the Sauce.

TIPS: For best results use

fruit in heavy syrup. One cup of the starter is enough to make the Sauce so the other cup may be given to a friend along with the recipe, or used to start a second batch of sauce. We do not recommend doubling the Sauce recipe.

SAUCE:

- 1 cup fermented fruit
- ½ cup drained canned peaches, cut in pieces
- ½ cup drained pineapple tidbits
- 6 maraschino cherries, cut in half
- 1 cup sugar

Combine all ingredients in a glass jar with a loose cover; stir well. Set in a fairly warm place. Continue to stir once a day. Sauce can be served after one week. Fruit and sugar must be repeated every two weeks. No need to refrigerate. Sauce will keep many months if directions are carefully followed.

Woman's Club enjoys Christmas party

By FLORENCE PEDERSEN

The Antioch Woman's Club Christmas Party and pot luck luncheon was well attended by members and all enjoyed the delicious food.

Christmas carols were sung and Florence Babusek entertained with a solo accompanied by Nancy Zitkus on the piano. Santa was well portrayed by club president Jean Rockow.

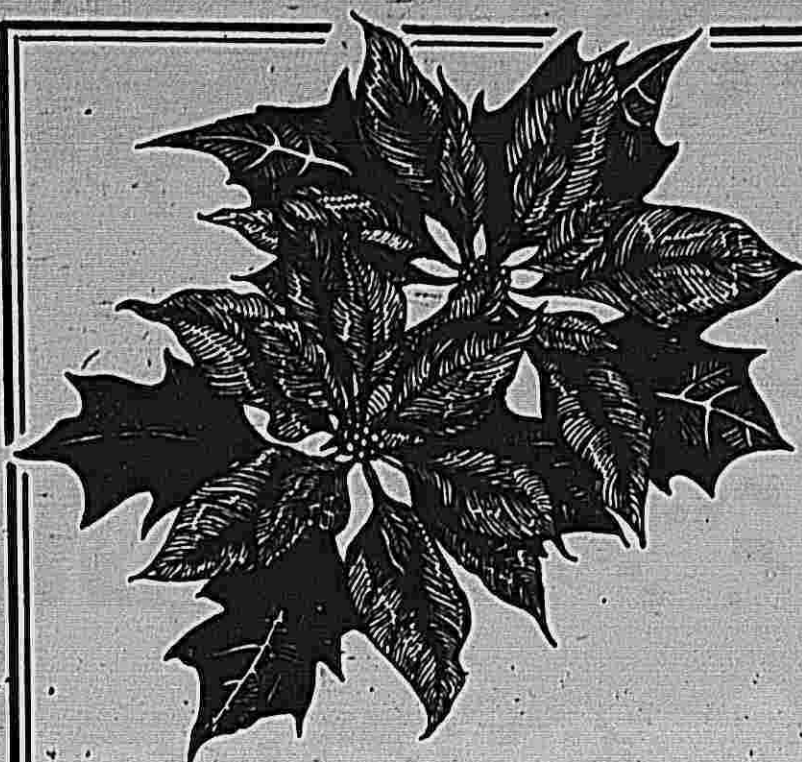

Poinsettia plants, donated by the First Bank of Antioch, decorated the tables and were awarded to prize winners. Each member received a lovely candle from the State Bank of Antioch, calendars from LaVergne Newton, bottle caps and family guide books from the Antioch Savings and Loan.

THE HOSTESS COMMITTEE included Jean Stanley, Fern Watson, Ruth White, Helen Patrovsky Sr., Edith Elms, Eileen Lewin, Ginny Cornelius, Alice Scheske, Esther Jacobsen, Polly Bruhn, Fritz Turner, Lorraine Toton, Selma Trieger, Dorothy Teister and Nancy Boarini.

A new member, Mrs. Walter (Mary Ann) Hill was present to enjoy the party.

A BOOK HAS BEEN donated to the Antioch library by the club in loving memory of Mary Barr.

The next meeting will be held Monday, Jan. 16, at 1 p.m. at the First Bank of Antioch. The program will be a surprise!

Alcohol-Gas Can Save Our Nation

We should levy a tax
on crude oil and gas,
To apply on crops
to make alcohol-gas.
Leave our oil and gas
in the ground unsold,
Their value someday
may exceed that of gold.

Products now wasted
could supply fuel needs.
Made from Garbage,
Scrub Timber, or Weeds.
Methyl-Alcohol Gas
made from fermentation
Could supply fuel needs
For this Great Nation.

Their fertilizer value
would not be impaired,
and our failing economy
would thus be repaired.
Work for more people
may thus be solved
And pollution problems
Also resolved.

North Chicago to test Sequoits

Sequoits face 2 foes

An interesting weekend, to say the least, awaits Antioch High's varsity basketball team.

Coach Roger Andrews' Sequoits will try for another conference victory when they play at Grayslake Friday night.

Then, on Saturday, North Chicago comes to Antioch for a game

between two of Lake County's finest teams.

Both varsity games will start at about 8 o'clock, following 6:45 p.m. sophomore contests.

THE SEQUOITS' GAME with Round Lake was postponed because of bad weather last Friday. The game was rescheduled for last night (Tuesday) after this issue went to press.

Antioch earlier established itself as a conference favorite by trimming another top team, Warren, 58-45.

Grayslake won only one of its first six games but will test Antioch with the county's leading scorer, Gary Novak, who is averaging 26 points a game.

Antioch's Bill Dubek ranks second in the county with a 22-point average while John Eder is averaging 11 points a game.

NORTH CHICAGO WON four of its first five games this season. The Warhawks, who cavort in a different conference than Antioch, have a balanced scoring attack with 5-10 Eric Rowell averaging 14 points a game, 6-5 Tyrone Jenkins averaging 12 and 6-3 James Wakefield hitting at an 11-point clip.

Antioch's frosh cagers sparkle

Antioch's two freshman basketball teams won their second games of the season by routing Round Lake last Saturday.

The "A" team won 52-32 as 11 players took part for the Sequoits. The "B" team won just as easily, 44-19. The wins give both teams 2-0 records in conference play and 2-1 records overall.

In the "A" game, Dan Maras led in scoring with 22 points and grabbed 14 rebounds. All this in only 2½ quarters of play.

In all nine players scored. Tim Koesser had seven points, John Ploss six and Jim Domkowski five.

Antioch dominated the boards with John Eckert and Kevin Hassett getting seven rebounds each and Pete Weber six.

In the "B" game the young Sequoits broke open a close contest in the second half by outscoring the Panthers 30 to 12. John Jackson and Gary Volling led the balanced scoring with eight points each.

Antioch's next freshman game is at Grayslake Saturday at 9 a.m. The Sequoits will then host an eight-team tournament Dec. 20-22 with four games each night. The first game will be at 5:30 p.m. on Tuesday, Dec. 20.

Suburban bowling meet is Saturday

By LOIS HARTMAN

Antioch Bowling Lanes will host the North Suburban Affiliate tournament of the YBA Team Handicap event Saturday at 12 noon.

All bowlers will roll three games. The top scoring team

St. Peter's 8th grade team scores 3rd win

St. Peter's 8th grade basketball team, playing in the Fox Valley Conference, now has a 3-1 record.

The team won against St. John of Johnsbury Sunday, 46-31, with Butch Zannini, scoring 17 points on his birthday.

Other leading scorers were Keith Larsen with 12 points and Phil Kaht with 17. The previous weekend, against St. Joseph of Round Lake, Phil poured in 26 points. Don Mentone scored 6 points and Tim Higgins 4.

"Recognition is in order for the strong bench on this team," said coaches Bob Huebner and Reed Ano, who have worked with the boys through 6th and 7th grades and now look forward to a winning 8th grade team.

St. Peter's 6th and 7th grade teams haven't had a taste of victory yet. In the 3rd quarter of Sunday's 7th grade game St. Peter was within 1 point to tie, but lost by a final score of 39-23 to St. John.

Fred Popp, the 6th grade coach, saw his team lose 15-7, but all the boys on the team got to play.

in each division and category will be declared affiliate champions and will be invited to participate in a "Tournament of Champions" at Park Lanes in Loves Park (near Rockford), on Saturday, Jan. 14.

Antioch Bowl has 10 teams entered after qualifying in a preliminary tournament held here in November. Hopefully, a large crowd will come to watch on Saturday. Because of the tournament, prep leagues will not be bowling that day. This includes three leagues: National, American and Bantam 2:30 Preps.

Also, there will be no regular leagues on Dec. 24 or Dec. 31 due to the holidays. We will hold a "most pins over average" tournament on those two dates at 9 a.m. You must be a member of a youth league at Antioch Bowl in order to participate; and you can only bowl once in the tournament.

A striped pin will be used for special prizes. Trophies will be awarded in each division: prep, junior and major. The trophies will be donated by the First National Bank.
